Index to Volume XXXVII

Amylase, A viscometric method for the quantitative determination of..... 281
Amyloid formation, Experimental study on..... 383

Bacillus, A, of the paratyphoid group..... 412
Bauer, J. T., The effect of carbon dioxide on cells in tissue cultures... 420
Birkhaug, K. E., Studies on the biology of the streptococcus erysipelatis. II. Demonstration of antigenic relationships among strains of streptococcus erysipelatis by intradermal protection tests..... 85
Birkhaug, K. E., Studies on the biology of the streptococcus erysipelatis. III. Experimental production of erysipelas in rabbits and demonstration of protective power of immune erysipelas sera..... 307
Blood volume determination, Intravenous injections of fluid and repeated..... 177
Boggs, T. R., and Fried, H., Sporothrix infection of the large intestine and finger-nails. Case report with discussion..... 164
Books received..... 68, 362
Book reviews.. 71, 154, 214, 283, 365, 432
Brady, L., Gonorrheal endocervicitis treated with strong solutions of mercurochrome..... 400
Buikstra, C. R., and Major, R. H., The effect of parathyroid extract and liver extract on the hypertension produced by guanidine compounds..... 392

Carbon dioxide, The effect of, on cells in tissue cultures..... 420
Cerebrospinal fluid, Vital and supravital studies of the cells of the, and of the meninges in cats..... 91
Craciun, E. C., Stock-plasma for tissue cultures..... 428
Craciun, E. C., and Oppenheimer, E. H., Vaccinia-virus in tissue cultures..... 428
Cunningham, R. S., Sabin, F. R., Doan R. S., and Kindwall, J. A., The normal rhythm of the white blood cells..... 14
Cunningham, R. S., Sabin, F. R., Sugiyama, S., and Kindwall, J. A., The rôle of the monocyte in tuberculosis..... 231
Cysts, Congenital, of the lung..... 340

Dandy, W. E., and Reichert, F. L., Studies on experimental hypophysectomy. I. Effect on the maintenance of life..... 1
Davidson, E. C., and Allen, C. I., The blood glucose curve in head injuries..... 217
Davison, W. C., Pyloric stenosis of infants. A statistical analysis of sixty cases..... 75
Davison, W. C., The medical treatment of pyloric stenosis of infants... 157
Davison, W. C., A viscometric method for the quantitative determination of amylase..... 281
Diaphragmatic hernia, Right-sided. Report of a case occurring with intrathoracic neoplasm compressing the right phrenic nerve..... 203
Doan, R. S., Sabin, F. R., Cunningham, R. S., and Kindwall, J. A., The normal rhythm of the white blood cells..... 14
Duodenal septum, Congenital, with obstruction..... 328

Endocervicitis, Gonorrheal, treated with strong solutions of mercurochrome..... 400

Faupel, M. H., A comparison of the Kahn with the Wassermann test..... 170

Forbus, W. D., Argentaffine tumors of the appendix and small intestine.... 130
Fried, H., and Boggs, T. R., Sporothrix infection of the large intestine and finger-nails. Case report with discussion..... 164

Goitre, exophthalmic, The histological changes brought about in cases of, by the administration of iodine..... 285

Haematorphyrin, On the preparation of, from carbon monoxide haemoglobin..... 408
Head injuries, The blood glucose curve in..... 217
"Hippocrates." A medico-historical note on the Howard A. Kelly collection..... 189
Hypoglycaemia, Post-anesthetic..... 376
Hypophysectomy, Studies on experimental. I. Effect on the maintenance of life..... 1

Infection, Sporothrix, of the large intestine and finger-nails..... 164

Josephs, H. W., Post-anesthetic hypoglycemia..... 376

Kahn test, A comparison of the, with the Wassermann test..... 170
Kindwall, J. A., Sabin, F. R., Cunningham, R. S., and Doan, C. A., The normal rhythm of the white blood cells..... 14
Kindwall, J. A., Cunningham, R. S., Sabin, F. R., and Sugiyama, S., The rôle of the monocyte in tuberculosis..... 231
Koontz, A. R., Congenital cysts of the lung..... 340
Kubie, L. S., and Schultz, G. M., Vital and supravital studies of the cells of the cerebrospinal fluid and of the meninges in cats..... 91

McCordock, H. A., A bacillus of the paratyphoid group..... 412
Major, R. H., and Buikstra, C. R., The effect of parathyroid extract and liver extract on the hypertension produced by guanidine compounds.. 392

Nervous system, sympathetic, Surgical aspects of the, in the work of René Leriche..... 369

Oliver, J. R., "Hippocrates." A medico-historical note on the Howard A. Kelly collection..... 189
Oppenheimer, E. H., and Craciun, E. C., Vaccinia-virus in tissue cultures..... 428

Parathyroid extract and liver extract, The effect of, on the hypertension produced by guanidine compounds.. 392
Penfield, W., Surgical aspects of the sympathetic nervous system..... 369
Pyloric stenosis of infants. A statistical analysis of sixty cases..... 75
Pyloric stenosis of infants, The medical treatment of..... 157

Reichert, P. L., and Dandy, W. E., Studies on experimental hypophysectomy. I. Effect on the maintenance of life..... 1
Rienhoff, Jr., W. F. The histological changes brought about in cases of exophthalmic goitre by the administration of iodine..... 285

Sabin, F. R., Cunningham, R. S., Doan, C. A., and Kindwall, J. A., The normal rhythm of the white blood cells. 14
Sabin, F. R., Cunningham, R S., Sugiyama, S., and Kindwall, J. A., The rôle of the monocyte in tuberculosis..... 231
Schultz, G. M., and Kubie, L., S., Vital and supravital studies of the cells of the cerebrospinal fluid and of the meninges in cats..... 91
Seidlin, S. M., Congenital duodenal septum with obstruction..... 328
Smetana, H., Experimental study on amyloid formation..... 383
Smetana, H., On the preparation of haematorphyrin from carbon monoxide hemoglobin..... 408
Smith, H. P., Intravenous injections of fluid and repeated blood volume determination..... 177
Streptococcus erysipelatis, Studies on the biology of the. II. Demonstra-

tion of antigenic relationships among strains of streptococcus erysipelatis by intradermal protection tests..... 85

Streptococcus erysipelatis, Studies on the biology of the. III. Experimental production of erysipelas in rabbits and demonstration of protective power of immune erysipelas sera..... 307

Sugiyama, S., Cunningham, R. S., Sabin, F. R., and Kindwall, J. A., The rôle of the monocyte in tuberculosis..... 231

Tissue cultures, Stock-plasma for..... 428

Tissue cultures, Vaccinia-virus in..... 428

Tuberculosis, The rôle of the monocyte in..... 231

Tumors, Argentaffine, of the appendix and small intestine..... 130

White blood cells, The normal rhythm of the..... 14

White, J. C., Right-sided diaphragmatic hernia. Report of a case occurring with intrathoracic neoplasm compressing the right phrenic nerve..... 203
